

Cleaning

- The highchair can be cleaned by wet cloth.
- Stubborn marks may be removed with a non-abrasive cleaner.
Never clean with abrasive Ammonia based, bleach based or spirit type cleaners.

Instruction LHB-025

Safety: Take note

Thank you for choosing our product! please take a little time to read the important safety notes below and the following Instructions carefully and keep them for future reference.

The products should be assembled by an adult. Incorrect assembly may lead to accident and pose a threat for children or other users.

Warning: Do not use it if any part is broken, torn or missing.

Warning: Do not use the highchair unless all components are correctly fitted and adjusted.

Warning: Do not use the highchair until the child can sit up unaided (approximately 6-9 months up to 36 months, max. 15 kg weight)

Warning: Do not leave your child unattended, even for the shortest time.

Warning: Always use the restraint system.

Warning: To prevent serious injury or death from falls or sliding out, ensure the harness is correctly fitted and that child is tightly secured with safety belts.

Warning: Always check the security and the stability of the high chair before use.

Warning: Avoiding placing the chair near naked heat sources, such as electric bar fires, gas fires, etc. or where a child could gain access to any other kind of hazard.

Warning: Do not force the mechanism-stop and read the instructions, if it is not always open and fold easy.

Warning: Do not allow your child to climb unassisted into, play with or hang onto your highchair. This is not a toy.

Warning: Baby highchair plastic bags can be dangerous. To avoid danger of suffocation, keep this bag away from babies and children.

Warning: Do not use spare parts other than those recommended by the manufacturer.

Ensure all users are familiar with the products operation. It should always open and fold easy. If it does not, do not force the mechanism-stop and read the instructions.

Ensure the children are clear of all moving parts before making any adjustments. Do not move or adjust the highchair with your child inside.

Only use it on a flat stable surface.
